# Joyful Marriage Ministries

*“... that your joy may be made full.” John 15.11*

## Joyful Marriage Ministries

Joyful Marriage Ministries was created to strengthen marriages and help couples grow and experience the joy and fulfillment God designed for marriage.

Our own story of brokenness, the result of living life our own way, and 40 years of marriage, the result of living life God's way, fuels our passion to see others experience what we have by God's grace.

Small group retreats are helpful for any couple. They can give those with troubled marriages hope and help. While couples with stronger marriages will deepen their relationships with one another and grow as a couple.

Marriage conferences can help strengthen marriages in a larger group setting.

Contact us if you are interested in attending one or if your church or group would like to book a conference or retreat.
